### Practice Areas:

Commercial Aviation

Corporate Aviation

Corporate Finance

General Corporate & Business

### Practice Philosophy:

"I believe that as a commercial attorney, my responsibilities lay in being able to represent and advise my clients in a comprehensive manner. By taking a proactive approach, I am able to assist my clients in developing strategic goals for their success."

### The Rest of the Story:

Heather currently resides in the Southwest Twin Cities metro area where she spends her free time trying to perfect her parenting skills with her husband, Jesse, as they chase their twin girls, Lillian and Eleanor. She spends the cold winter months inside pretending to be a master chef and the warm summer months outside hiking, kayaking and pushing swings at the playground. As a product of Wisconsin and of Chippewa Falls, Heather enjoys rooting for the Badgers in football, basketball and hockey while enjoying the hometown brew, Leinenkugel's.
