

FAFINSKI MARK & JOHNSON, P.A.

Power of the Big. Spirit of the Small.

FAFINSKI MARK & JOHNSON, P.A. CELEBRATED ITS 10TH ANNIVERSARY on June 1, 2009. As part of our year-long celebration, we showed FMJ's commitment to the community through "10 Acts of Kindness." FMJ supported 10 different charities throughout the course of the year including adopting a Marine Platoon in Afghanistan, boxing meals for Feed My Starving Children, and purchasing backpacks and filling them with school supplies for Volunteers of America's Operation Backpack. "I was continually impressed and humbled by the generosity shown by our attorneys and staff during a tough financial year," says FMJ CEO Robert Fafinski Jr. "They just gave and gave."

As FMJ moves into our next decade of success, our three value propositions of relationships, performance and value will continue to be what sets us apart and allow us to provide our clients with the power of the big, while maintaining the spirit of the small.
