Sharon has worked her entire career in the legal field, at both large and smaller law firms in four different states. Starting out as a legal secretary at the beginning of her career, Sharon has moved to the role of Chief Operating Officer at FMJ. Sharon has been with FMJ since its inception in June of 1999.

Sharon wears many different hats at FMJ, all in an effort to keep the firm moving forward in a cost-efficient, productive and professional manner for the firm's staff and clients.

Memberships:

Minnesota Legal Administrators Association
Association of Legal Administrators

Awards:

First recipient of the Fafinski Mark & Johnson Service Award in recognition of 10 years of outstanding service and dedication

Professional Philosophy:

"I like to place myself in the position of the client and conduct myself in a way that will be most beneficial to the client and FMJ. I love the challenge of having many balls up in the air and not letting any fall to the ground."

The Rest of the Story:

After living on the West Coast and in the Southern United States for 16 years, Sharon moved back to her native Minnesota in 1998. After raising her two sons, Sharon now enjoys all outdoor activities, particularly kayaking, time at the lake cabin and has recently taken up the great sport of golf, hoping one day to be good enough to be somewhat competitive on the course with her sons.
