

Tara J. Anderson

Associate | tara.anderson@fmjlaw.com

Tara Anderson practices in the corporate and commercial aviation transaction groups at FMJ, focusing primarily on the representation of privately held companies, airlines and aviation leasing companies and non-profits.

Tara attended law school at the University of St. Thomas, where she was a President's Scholarship recipient. During law school, she worked in the legal department of a large Minnesota company, and as the Executive Director of a non-profit, which gave her insight into both sides of the attorney-client relationship. This blend of corporate, non-profit and educational experiences provides Tara with a balanced and broad perspective she brings to her legal work.
