

Mergers & Acquisitions

Complex Issues. Brilliant Solutions.

The perfect opportunity can come at any time. But, will you be ready to take it? A business merger, sale or acquisition is a complex process that requires experienced legal representation.

Our Mergers & Acquisitions team has handled deals collectively worth billions of dollars. With Fafinski Mark & Johnson, clients can count on aggressive negotiation that earns them positive results.

Clients benefit from FMJ's vast experience in a variety of financial or strategic-based deals. As a trusted advisor, we guide you through all phases of the process. From consultation to leading a team of investment bankers, accountants and advisors, FMJ works diligently to achieve your desired results.

With experience representing buyers, sellers and investors, we have the capacity and depth of knowledge to understand the issues that arise during the course of a transaction and offer solutions to ensure your deal moves forward and closes.
