

Transportation & Logistics

Acclaimed for Aviation. Equipped for Endless Capabilities.

FMJ is recognized nationally and internationally for our experience and insider knowledge of the transportation industries. For decades, our attorneys have served as trusted advisors to airlines, trucking, busing, and leasing companies, financial institutions, hedge funds, and investors active in the purchase, sale, financing, and leasing of transportation equipment. In addition, we've tried highly publicized and nationally-important transportation litigation cases, including *Wicker v. Trans World Airlines & Boeing*, the landmark TWA #841 rollover case, and *Hoeper v. Air Wisconsin*, a U.S. Supreme Court case that created security implications for the entire aviation industry.

Our transportation and logistics experience spans a variety of sectors including aviation, rail, land shipping, and infrastructure. Our transportation attorneys serve clients in the following areas:

Aviation

- Aircraft trading and parting out
- Airline representation
- Business aviation finance and structuring
- Cargo conversion
- Commercial aircraft financing and leasing
- Cross-border transactions
